Answer to May's Trivia: What bird did Noah send out of the Ark first? a. dove b. raven c. eagle

Testimony

What is a testimony? It is "evidence, a witness".

Have you witnessed or have evidence of something the Lord has done for you personally? Did He heal you? Did He deliver you? Did He save you? Did He protect you, restore you, provided for you, blessed you?

Your testimony is yours personally and by sharing it you just might help someone see there is help, deliverance, healing, salvation in the Lord. It does not have to be long. It doesn't have to be your life story. Just one thing that the Lord has done. Please consider sharing your testimony and helping others see the awesome power of **God!**

Inspiration

The Touch of the Master's Hand

'Twas battered and scarred, and the auctioneer thought it scarcely worth his while to waste much time on the old violin, but he held it up with a smile.

"What am I bid, good folks?" he cried.

"Who'll start the bidding for me?"

A dollar, a dollar---no, two---only two?
Two dollars---and who'll make it three?"

"Three dollars once! Three dollars twice!

Going for three!"...but no!

From the room, far back, a gray-haired man came forward and picked up the bow.

Then, wiping the dust from the old violin and tightening up all the strings, he played a melody pure and sweet... as sweet as an angel sings.

The music ceased and the auctioneer, with a voice that was quiet and low, said: "what am I bid for the old violin?" and he held it up with the bow.

"A thousand!---and who'll make it two?
Two thousand!---and who'll make it three?
Three thousand once! Three thousand twice!
And going...and gone!" said he.

The people cheered, but some of them cried:

"We do not quite understand.

What changed its worth?" the man replied:
"The touch of the Master's hand."

And many a man with life out of tune
And battered and torn with sin,
is auctioned cheap to a thoughtless crowd,
much like the old violin.

A mess of pottage, a glass of wine,
A game, and he travels on.

He is going once--and going twice---
He is going---and almost gone.

But, the Master comes, and the foolish crowd
never can quite understand
The worth of a soul and the change that's wrought
By the touch of the Master's hand!
